

Notice to Canyons Residents

Project: Canyons Filing 1-2nd Amendment, Phase 1 & Filing 1 West Concrete R&R

Streets: Bellcove Tr., Copper Sky Cir., Oakpoint Way, Sunstrand Dr. and Sunstrand Ct.

SCHEDULE – Operations start 12/5/22 and anticipate to complete 1/31/23 Construction is scheduled to occur from the hours of 7:00am - 7:00pm. Please note, due to the nature of this work and impacts of weather, traffic, climate, breakdown or other unforeseen issues delays may occur and will be notified accordingly. Work will begin on Bellcove Trail.

To minimize neighborhood impacts, Traffic Cones will be placed in the next “construction area” at least 24hrs prior to removal and replacement of concrete.

*****Resident Actions***:**

1. *****Homeowners please do not park vehicles on street in areas with traffic cones. In addition, please be aware if your concrete has been marked up and cones placed in front of driveways. You will not have access in or out of your garage/driveway during concrete repair operation. You can drive over concrete 24 hrs after placement *****
2. Turn off Landscaping Irrigation if concrete removal/replacement is occurring at your property for 24hrs. Water runoff will negatively impact the concrete finish as it cures. In addition, it will help keep subgrade at the proper moisture and compaction for it's long-term success.

We thank you for your understanding. With your cooperation, this project will improve the infrastructure of your neighborhood. If you have any questions, please contact your Canyons MD7 District representative.

Thanks,
